

## Yardley Farmers Market Sponsorship Levels 2024-25

Thank you for considering becoming a sponsor of the Yardley Farmers Market (YFM). YFM is a year round Market. Summer Market season is outdoors in Buttonwood Park from May through November. Our Winter Market is held indoors on the 1st & 3rd Saturday of the month from December through April. Your sponsorship gives you access to more than 1,000 people in our community who receive the YFM weekly E-News (which we also post on Facebook and Instagram each week). Plus the approximately 450 to 800+ customers who visit the market on a weekly basis. Your sponsorship will help promote our mission of providing a thriving outlet to connect consumers and producers of local, sustainably grown food and locally made products. Farmers Markets strengthens our communities and add to the local economy.
